April 6, 2009

Sir:

This paper is submitted in response to the Office Action dated March 4, 2009.

In the Office Action, restriction is required between Group I (Claims 1-14 and 19-24) and Group II (Claims 25-26 and 29).

Applicants hereby elect the subject matter of Group I (Claims 1-14 and 19-24) for prosecution in this application. This election is made with traverse. Under the unity of invention standard, applicants believe that claims 25, 26 and 29 should be included in the elected group as these claims are directed to a method of manufacturing using the material of claim 1 and 3. See 37 CFR §1.475(b) for the categories of invention that can be considered to have unity of invention.
